Hi!

This is your 1957 yearbook. It is our privilege to present it to you who have made the book. During the past year we have sought to capture the high spots and compile them in the limited time available, in order to give you a book comparable to the high standards set by you - - Saint Joseph's High School.

We have selected as our theme the new Indiana Toll Road. Its completion this year coincides with the completion of Saint Joseph's first four-year class. By following the signs and achieving a thorough education, our road through life will be traveled with greater ease. To help you on this journey, junctions have been set up along the road:

Tribute	Junction	4
Faculty	Junction	6
Seniors	Junction	14
Underclassmen. .	Junction	33
Activities.	Junction	68
Sports	Junction	96
Patrons	Junction	121

Let's go now and have a good trip.
God Speed!

BISHOP JOHN**

Francis Noll, D. D.

In recalling Bishop Noll's thirty-one years of service in the Fort Wayne Diocese, Saint Joseph's High School can be listed as one of his outstanding accomplishments.

Through his fervent desire and extreme generosity, the construction of our school was begun on October 26, 1952. With its opening in September 1953, a secondary Catholic education was offered to students of South Bend, Mishawaka, Elkhart, and Niles. It is truly fitting that the first four-year graduating class of Saint Joseph's High School pay tribute to the man who made possible their school.

Brother Reginald, Father Vichuras, and Sister Marie des Victoires.

Christ, the Teacher, whose purpose it is to show us His love and His way, still teaches us through the religious teachers we have here at St. Joseph's, the Brothers and Sisters of Holy Cross. Their purpose is to direct us on our road of education, and by their direction make us good Catholics and good citizens.

We, the Seniors, are indebted to the faculty and to the administration forever.

JUNIORS

Sharon Horvath and Tom Lower.

On our merry way we encounter those who dare to be different, the juniors. They speed along down the highway too fast sometimes; then they must pay the fine and try a little harder. They have passed the half-way point in education, and their early formative years are over. What they are now, they will always be. In a way they are like the highway itself.

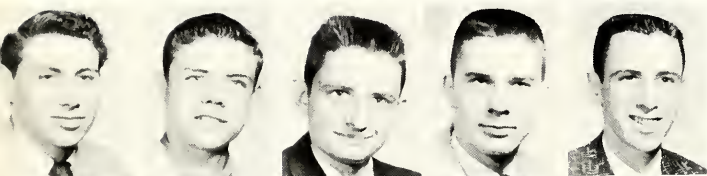

If their planning, building, and driving is all that it should be, the juniors will ride along finding happiness in life and eventually reach God, their eternal destination.

Officers

SOPHOMORES

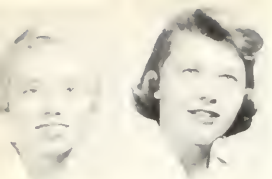

On our road of life we have those who are completely and absolutely sure of themselves. That is until they make a mistake. Who are they? Our sophomores. They have traveled St. Joseph's road for a while and are coming to know all the signs and curves. They are beginning to pick up speed, to run at a faster, steadier pace.

They are like the little trees along the way, sturdy enough to withstand the wind and weather, but still weak enough to bend and grow wrong. With a little care and guidance, through the years they will become strong, sturdy men and women, able to stand up to any storm.

Officers

James Spencer, Kathleen Quinlan, Robert Dygalski, Ann Marie Kromkowski, Peter Nemeth, Elizabeth Jackson, Ed Everett, and Becky Paczesny.

FRESHMEN

Presidents

Ron Weber and Kathleen Mrozinski.

On our road of life, as on any road, we have beginners. These are our freshmen. Hesitantly they travel down that well-worn road, little knowing what lies ahead of them. They are as green as the roadside and as refreshing as the blue lakes along the way. Falteringly they start, stop, and start again. They cautiously heed all signs along the road, staring in wonder and amazement at the new and different things that meet their eyes. Occasionally they make a wrong turn, but soon they're back on the road and on their way. These are the diligent, the obedient, the hope of the future. Though they may falter and fall, eventually they will reach their destination, better in the end for having fallen and faltered.

INDIANS BLAZE

Irish scalped 20-0

TRAIL TO FORT WAYNE

Out and Running.

Totem pole—Indian on top!

Fritz snags one.

That's my boy.

VARSITY FOOTBALL

Let go of my foot!

Indians Capture Winning Season.

The best team in Saint Joe's history finished the season with a 5-4 record.

In their first game the Indians' inexperience was woefully apparent as they lost out to a fired-up Washington High team, 13-0. Charlie Easton, shifty Panther quarterback, laked the St. Joe lineman out of their . . . positions time after time. At least the Indians came 28 points closer to Washington than any other St. Joe team.

Mike Eger's daring signal calling and deadly passing (8 of 11) led the way as St. Joe became the first Catholic high school in Indiana to conquer Hammond Noll. Speedy Ken Reimer's 15-yard sideline dash and Kevin Weinberg's third quarter slash gave St. Joe its TD's. Improved line play confused the Noll backs many times.

St. Joe's 20-0 win over Fort Wayne Central Catholic gave them their first mythical Northern Indiana Catholic crown. Fritz Fischer galloped into the end-zone and lopped on a punt blocked by Jake Szarwark for the first Indian score, and Reimer got the second after Kevin Weinberg set it up on a 60-yard run to the twenty. Dyguski made both extra points. With twelve seconds to go Co-Captain Jake Szarwark snared a Fort Wayne pass and with a terrific burst of speed ran it back five yards. Then, with all his receivers covered, Mike Eger clamped his fingers around the ball and caromed 54 yards for a touchdown.

Sophomore Gene Phillips ran roughshod over the Indians in the Adams game as his team made St. Joe one of its eight victims by a 21-0 score.

The tribe meandered to a 32-6 triumph over Gary Portage despite a seven-foot mass of dust which swirled around the field. Weinberg and Reimer each had 47-yard touchdown runs. Reimer racked up number two after a Bob Ganser interception and a Steinhoffler pass. He completed the hat trick in the last quarter with a thirty-yard scamper. Botka pitched out to Dick Was who scooted from the thirty-five to the two-yard line. Was took the ball again and scored. Dick "Squartoe" Lootens kicked the extra points.

Rock Island High, perennial downstate Illinois champion, broke St. Joe's back with second half shock troops and handed the Indians a 28-7 loss. Dick Was did the St. Joe scoring after Jake Szarwark set him up with a blocked punt. St. Joe's small traveling squad fell apart soon after the score.

"Big Jake," Leo Krzykowski, and the two Mikes, Bacza and Wroblewski with the help of Tom Ruppe's goal line interception held Gary Mann scoreless as Reimer and Terrible Tommy Lower marked up a touchdown apiece.

From Mike Eger's 88-yard opening kickoff return to his 63-yard punt to the one-yard line, the Indians were in control. The line once again led the way as Eger, Reimer, Weinberg, and Lower scored against Whiting despite the valiant efforts of Tom Justak, Brother Reginald's nephew.

St. Joe lost a 24-13 game to Culver's undefeated Cadets in their final outing. St. Joe crossed the goal line six times, but the officials called it back for various reasons four of these times.

Weinberg, Go! Go! Go!

Eagles soar. Ugh! Indians sore, too.

INDIANS

We are the Indians,
Mighty, mighty Indians,
Everywhere we go
People want to know
Who we are.
So we say,
We are the Indians,
Mighty, mighty Indians.

Down boy, down.

Go get 'em Indians, go get 'em!

Ugh!

WE'RE FROM ST. JOE

Brother Alexius Adam, C.S.C.

We are proud of the accomplishments of our athletic teams at St. Joseph's High School. It is no small task to organize and manage the athletic department in a school the size of St. Joseph's. Brother Alexius has capably filled the post of Athletic Director for two years. The coaching staff, George Kelly, Angelo Turco, and Ronald Bella, deserves a large-sized round of applause for their untiring effort in developing representative teams. A small group of unsung heroes, the student managers, rate an acknowledging nod for their part in the efficient running of the department.

As Angelo Turco's first year as head coach progressed it became apparent to all that a new era was being formed in St. Joe sports history.

New standards for making the varsity, and a liberal sprinkling of underclassmen on the B-Team gave evidence that the future was very much in the mind of the new head coach.

Despite plans for the future, St. Joe had a good ball club this year, and when the Indians entered the Holiday Tourney with a 7—1 record, South Bend people began to realize that a new power had arisen in city basketball.

The Indians dropped their first Tourney game by one point to Riley. The cries went up again that St. Joe always folded when it met city competition. When the Indians swamped Washington High by 25 points in the consolation game the cries died down somewhat.

In their first game of the new year the Indians gained revenge for their earlier defeat by upsetting St. Joseph, No. 3 ranked Michigan team, but they lost their next venture to Washington High. From then on they zig-zagged between unbeatable and impossible, and gradually they became an average team, despite a few brilliant nights.

There is one consolation—the team will suffer the loss of only one of its starting players for the '57—'58 season.

SENIOR

Fritz Fischer

Fritz is an admirable sportsman. As an excellent shot on the basketball floor, and a member of the All City Football Team of 1956 he has nobly represented the St. Joe Indians' fighting spirit.

Bob's scholastic skill as well as his skill at baseball and football is not easily overlooked. He has been outstanding in all three and is sure to be successful at anything he undertakes.

Art was a faithful four-year man on St. Joe's football team. He received his coveted varsity letter in his senior year.

Bob Ganser

Art Zielinski

LETTERMEN

As co-captain and star tackle of our team, Jake was always in there fighting. Jake honored himself and his school this year by winning honorable mention on the National Catholic All-American Team.

Bob, who's tops as an infielder, plans to camp on first base again this season. As a senior Bob held the distinguished position of president of the Boys' Senate. He has always been an all-around active Indian, and his scholastic record is impressive, too.

Chuck is one of those fellows who hasn't shared the limelight often, but his spirit and drive certainly help to account for the boost in St. Joe's football fortunes! And his drive paid off with a Varsity letter.

Jake Szarwark

Bob DeMeester

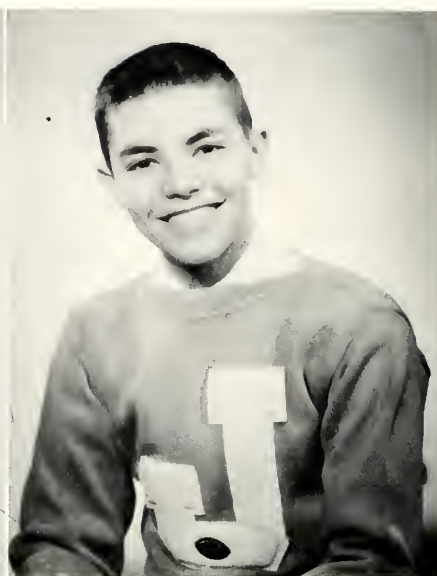

Chuck VanVynckt

Tom Ruppe

Joe Simeri

A co-captain of the football squad as well as one of the team's biggest men, Tom did justice to the difficult position of center. His determination and drive ranked him with the best.

The senior class president has sparked admiration in the hearts of all who have come in contact with him. Though small in stature his ability and intelligence surpasses many a giant. His pleasing personality and his ability to cope with any situation make him an excellent manager and all-around "sport."

Mike Barcza

Quiet, unassuming Mike Barcza, centered his interests on football and came out on top. His love of the game was surpassed only by his determination to play it. Mike has always been an admirable guy around the schoolhouse!

LETTERMEN

Dick was highly regarded by his classmates who elected him class officer for two years in succession. He was an excellent halfback as well as a valuable member of the track team.

Gene, the smallest man on the Indian squad, proved his weight in worth with his hard work and striving spirit. Whether on the practice field or in a game, Gene made a mighty contribution to the Indian's spirit.

Reliability is the keynote to Jerry's performances throughout his four years at St. Joe. His dependability was one of his main assets on the football field; he received his varsity letter this year.

Dick Was

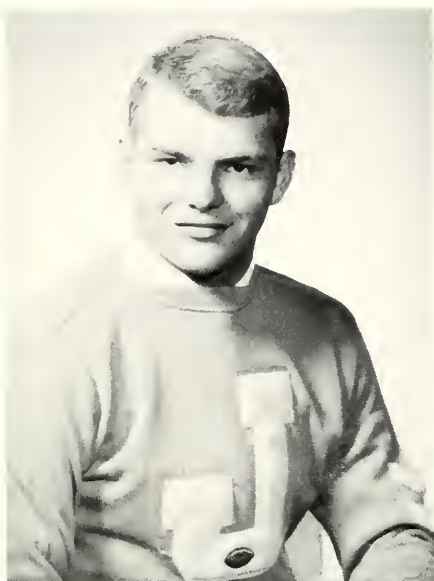

Gene Botka

Jerry Stockberger

LETTERMEN

Mike Eger

Mike made his mark as an outstanding athlete during his stay at Saint Joseph's. He's a real sportsman in both football and basketball.

A class officer for four years, Ken has maintained a high scholastic rating. In addition he has a well-rounded athletic record including baseball, football, and basketball. He has been outstanding in all three and is sure to be successful at anything he undertakes.

Stick-to-itiveness is a tag merited by Sam. His determination was rewarded when he received his varsity letter for football before the Christmas holidays.

Ken Reimer

Sam Dellinger

Ernie Kolesiak

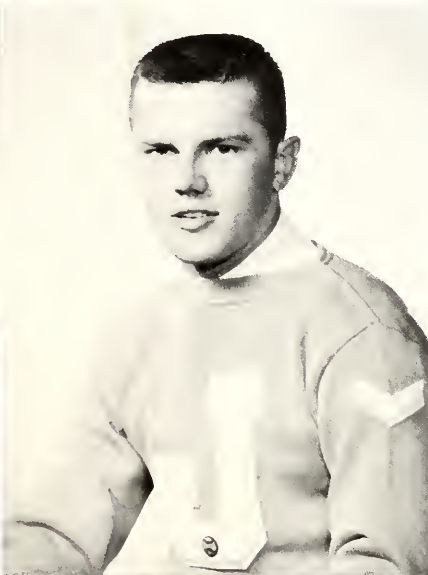

Ernie, whose happy carefreeness is a source of enjoyment to all, has done well in every one of the fields he has entered. His power hitting and speed-demon defensive play spirited our baseball team to their best season in the history of the school. His adaptability has marked Ernie with a spirit to achieve.

Pete, a glue-finger end and ferocious blocker, who went about his football business with do or die determination, is indeed a true Saint Joseph's man. His seriousness in classwork and extracurricular activities will undoubtedly reflect itself in Pete's future accomplishments.

Leo, a pioneer of tennis at Saint Joe's, helped to organize the first team. He has achieved a fine scholastic record and has been a popular clerk in the school bookstore for three years.

Pete Gapczynski

Leo Jaroszewski

LETTERMEN

Jon Dudeck

Jon, who won the Kiwanis Award as the most valuable athlete and outstanding senior, never let himself be underestimated. He played to the best of his ability which was always tops.

Ralph played hard football for four years. A fast, light back, Ralph was at a disadvantage against the heavy teams he faced. Off the field, Ralph doesn't show the aggressive spirit that carried him through tough competition. A quiet, unassuming fellow, he is a good student and classmate.

Bill has been one of St. Joe's determined young sportsmen for four years. He has been a vital part of our football squad, even though a knee injury kept him from seeing extensive action in his senior year. Bill never strained himself in studies but managed to retain fairly respectable grades during high school.

Ralph Schoen

Bill Becker

John Kromkowski

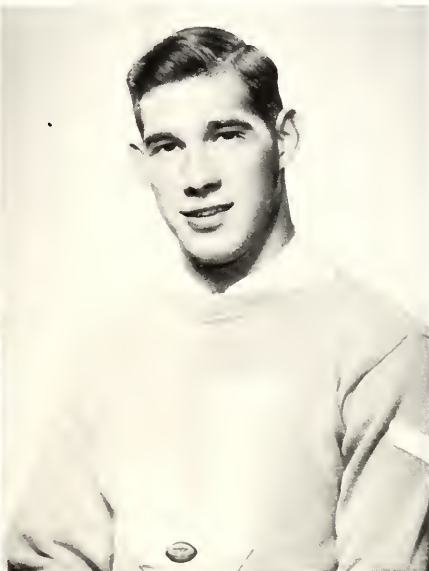

John, an outstanding student, rates high on any team. His achievements are many and his potential far greater. He's a whiz on the tennis court and a wizard scholastically. He is a member of the U. S. Table Tennis Team and was the National Junior Mixed Doubles Champ in 1956.

Dick carved a lot of niches in the lines of opposing teams with his jarring charges. Hampered by a bad back, he was still a pillar of our tough defensive crew. A live wire in and out of uniform, Dick is just "one of the hoys" to all the seniors.

Tom, a scholastic honor student, has made the most of a fine high school career. An avid baseball player, Tom has held down a regular hurling job for four years.

Dick Lootens

Tom Malinowski

BOYS' STUDENT SENATE

The main purpose of the boys' Student Senate is to promote the most worthwhile interests of the student body. The goal was achieved this year, under the direction of Brother Kenan, by the president, Bob DeMeester, and the representatives and alternates elected in the homerooms. Purchasing a fan for the smoking room, providing recreational activities, and publishing a student directory were a few of this year's accomplishments.

The members of the Senate are: R. Hurtubise, D. Jablonski, R. Weber, K. Kasprzak, R. Tremel, D. Fox, B. Niedbalski, B. Urbanski, T. Serge, P. Nemeth, H. Biddle, C. Caenepeel, R. Quigley, J. Simeri, T. Ruppe, L. Krzykowski, F. Glentzer, T. Lewinski, J. Dempsey, and B. DeMeester.

GIRLS' STUDENT SENATE

The newly organized Girls' Senate, under the guidance of Sister Mary Marcian and Eleanore Cwicklinski, president, awakened in the student body an appreciation of personal responsibility to the home, to the school, to the Church, and to society, as Catholic lay teachers and apostles. The Senate, consisting of the class presidents and one elected representative from each homeroom, has as its objective, to recommend necessary and proper improvements of the school, and to investigate and to report matters referred to it by the moderator and by Sister desVictoires. The Senate's hope is that after school days, every Saint Joseph's girl will carry into her adult world right values in her intellectual, spiritual, and moral life.

Members of the Senate are: J. Tschida, E. Cwicklinski, S. Horvath, C. Bratina, D. Crowder, J. Chwalek, J. Swiatowy, M. Nabicht, N. Ballatore, B. Dooley, P. McNeile, A. Kromkowski, K. Mrozinski, M. Glon, C. Kuboske, M. Kintz, B. Wray.

MAIDS AND BRAVES HOLD

Frequent stops for relaxation were made along our road. The favorite service area for many was the gym. There the music of Billy Nicks, The Rhythmaires, and others provided us with many fun-filled hours of dancing.

In addition to the class mixers and regular dances, something new was added this year—The Howdy Hour. Under the direction of the Social Science Department the first Howdy Hour was arranged and met with much success. Others followed and were held after the games during the football season.

Fisher Body Demonstration

A representative from the Fisher Body Company provided the boys with a program of interest to all. His description and pictures of the cars of tomorrow were fascinating.

The senior pep assembly, held before the Indian-Eagle game, was perhaps the loudest rally to echo through Saint Joe's gymnasium. Ray McLane, as master of ceremonies, led the student body in cheers that rocked the rafters.

CHRISTMAS PROGRAM 1956

Silent Night

The first appearance of the combined St. Joseph's glee clubs took place at the Junior Red Cross Christmas Assembly. The strains of "Winter Wonderland" and "Skaters' Waltz" were the cue for the dancers to enter; "The Night Before Christmas" was told by James Jack; a lovely ballet was danced to the music of "White Christmas," and finally the traditional Christmas carols, "Ave Maria," "Silent Night," "Angels We Have Heard On High," "Great and Glorious," and "Adeste Fideles" provided splendid background music for the portrayal of the Christmas Gospel in pantomime.

Aside from the glee clubs, those participating in the assembly were: S. Weslowski, S. Vardas, S. Ostrowski, D. Deka, M. Baker, T. Baldwin, G. Hill, D. Armstrong, M. Erp, W. Mucha, S. Cardell, M. November 27! December 24! January 27! February 20!—these dates were all important to the Hi-Way staff, supervised by Brother Jeffrey. With deadlines to meet, the midnight oil burned brightly to finish writing the copy and drawing the master sheets.

While the editorial staff was busy sorting and identifying the pictures and photos, the business staff, directed by Brother James Sullivan, sought to collect the necessary funds to back the book.

It is most fitting, indeed, that we bring to a close this section with the most important of all activities, religious activities. Under the patronage of Saint Joseph, the Worker, we have participated in many religious events.

We began the school year in September with the traditional Mass of the Holy Spirit.

Each month the various classes, in turn, have attended Mass and received Holy Communion in a body as a proof of their faith.

During Advent the Faculty and the entire student body made a novena for the intention of purity among teenagers.

In the waning days of Advent the sophomore and freshman retreat was conducted by Father Godfrey Poage, C.P. His forceful, hard-hitting speeches caused the students to meditate on their past achievements and their future plans.

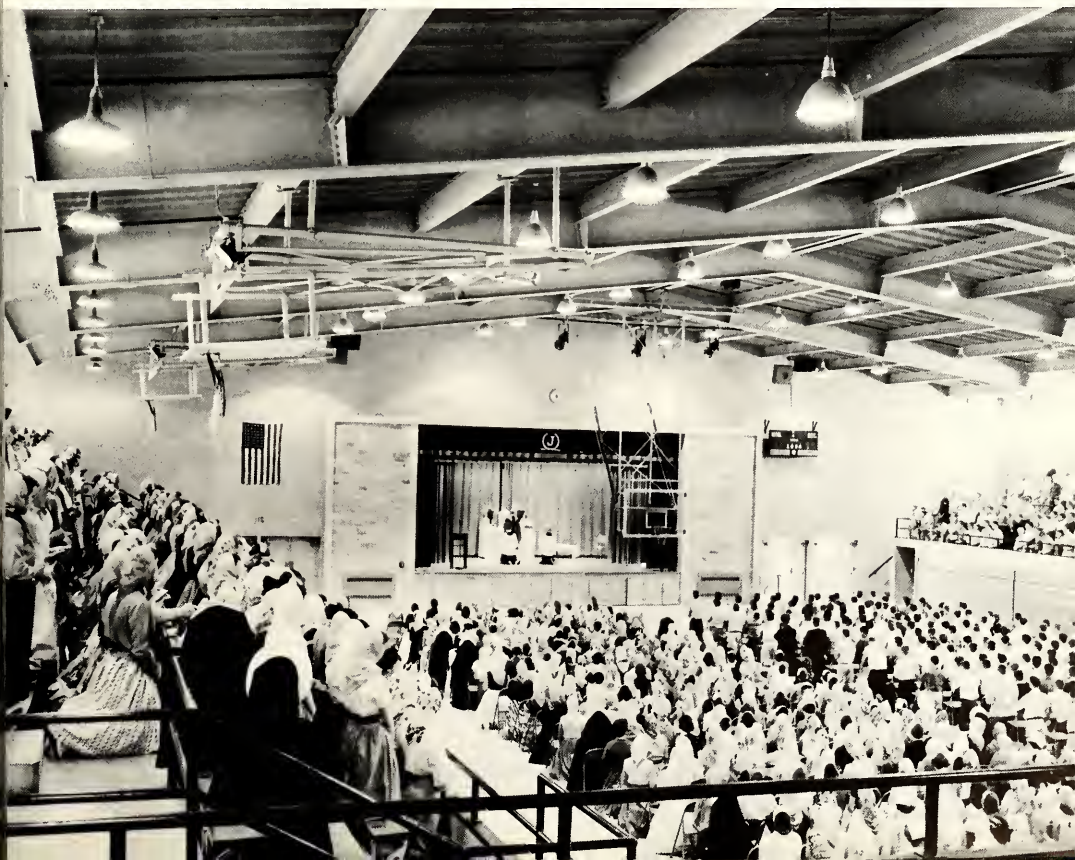

The senior and junior retreat was held on Monday, Tuesday, and Wednesday of Holy Week. Father Henri DuLac, the retreat master, especially encouraged the seniors to think seriously about the steps they were about to take and above all to guard their faith.

In June we shall end as we began with a Mass, the Baccalaureate Mass, the seniors' last at Saint Joseph's High School.

RELIGIOUS ACTIVITIES

HOME

The homemaking program of Saint Joseph's High School is functional in helping the girls to gain experience which will be beneficial to them in home and family living. Planning and serving meals, rules of etiquette and correct table settings are a few of the objectives of the course.

As a special first-year project the food class baked cookies and hundreds of multi-flavored Christmas goodies, and boxed them very attractively for friends of the cooks.

Sister Mary Immaculata is pictured at the left showing Connie Miko and Rose Mucha the floor plans of the kitchens of the future. The picture below shows a group of budding Betty Crockers sharpening up on K. P. Techniques.

Before and After

ECONOMICS

"A stitch in time saves nine," so goes the saying. These diligent young home-makers of the needle and thread brigade deftly measure, baste, and stitch their finery. The girls' activities this year included making Christmas gifts for their friends and relatives, and making themselves the attractive clothes which they wore in the annual spring style show.

ART CLASSES

Janet Ruthsatz

Portraits, posters, scrapbooks, landscapes, and carvings—all of these are the products of our art classes. During the course of the year, the boys, under the direction of Brother Harold, have made various posters, silkscreenings, and Christmas Cribs. The girls, with Sister Zita Marie as their instructor, enhanced the beauty of the school with Christmas decorations and enriched the minds of the students with such displays as the pictorial plea for the reading of good Catholic literature.

THE MOST REVEREND LEO. A. PURSLEY, D. D. BISHOP OF FORT WAYNE

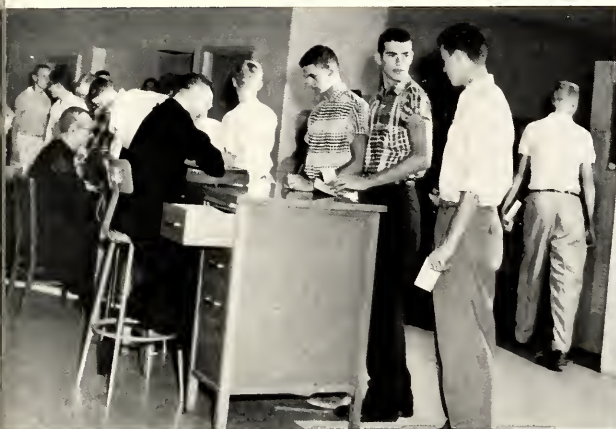

In Fort Wayne, on the twenty-sixth day of February, in the Cathedral of the Immaculate Conception, the Most Reverend Leo Aloysius Pursley, D.D., was installed as sixth bishop of Fort Wayne by His Excellency, the Most Reverend Paul Schulte, D.D., Archbishop of Indianapolis. Bishop Pursley has taken an active interest in Saint Joseph's High School, and has been one of our foremost benefactors. We wish to thank him for all that he has done for us. We also wish to congratulate His Excellency on his new appointment and to assure him of our continued prayers "Ad multos annos."

NEW FACULTY

The semester changes brought four new faculty members to Saint Joseph's. They are: Mrs. Hardy, Brother James Kell, C.S.C., Brother Neville Phillips, C.S.C., Brother Edward Wauchter, C.S.C.
